

ANTICIPATED FINISH MATERIAL ALLOWANCE FOR THE *Signature Series* LAKEVIEW

Thank you for purchasing a *Signature Series* home. Below is an estimated finish material allowance for the **Lakeview** home package. **This allowance does not include Foundation, Heating and Air, Porch Decking, Fireplace, Stucco (if applicable), or any labor.**

While there has been great effort put into the accuracy of this proposed allowance, because of the great variation of individual project requirements and each Customer's design specifications, Pacific Modern Homes, Inc. (PMHI) cannot guarantee its accuracy. This estimated finish allowance is designed to assist you with your Construction Budget and reflects the use of materials of a mid-level specification, giving you, the Customer, the flexibility to adjust allowed amounts based on their importance.
