Transitional Home Environment

Sonoma Life-Style Option Choices

Select Desired Option	Option	Description	Price
<input type="checkbox"/>	1	Change plan to reflect floor to ceiling cabinet storage in place of sink. If only one sink is needed it's often prefer to have additional storage in place of a second sink.	N/C
<input type="checkbox"/>	2	Change single hung window to easy-open casement window. Casement windows operating mechanisms are located low in the corner of the window as apposed to up in the middle of the window.	\$124.00
<input type="checkbox"/>	3	Modify hallway and hall closet to include furnace air filter access low in the hallway wall. This option removes the need for a ladder to change the furnace air filter.	\$35.00
<input type="checkbox"/>	4	Change single hung window to easy-open casement window. Casement windows operating mechanisms are located low in the corner of the window as apposed to up in the middle of the window.	\$124.00
<input type="checkbox"/>	5	Alternate Lighting Plan—This option provides increased lighting for work space not just walkways as is come with a traditional lighting approach.	N/C
<input type="checkbox"/>	6	Accessible Electrical Design notes	N/C
<input type="checkbox"/>	7	Accessible Kitchen Cabinet design notes	N/C
<input type="checkbox"/>	8	Change window in laundry room to 4020 Slider.	-\$84.00
<input type="checkbox"/>	9	Laundry room door move to accommodate accessible front load washer and dryer design	N/C
