## Riverbend Window Options

February 23, 2015

The purpose of this pricing is to give our Dealers an idea of the cost associated with upgrading the windows in one of our existing home packages to other window options. It's not intended to provide an accurate cost range for every one of our packages because each one has a different number, size and style of windows.

Our Riverbend home package includes white Tuscany windows. The following prices are the additional costs associated with the upgrade to the noted window:

- Painted Tuscany                      \$1,996.10 (additional)
- Ultra                                      \$5,863.72 (additional)
- Woodclad                              \$9,473.38 (additional)  
(Includes jamb extenders for 2 X 6 walls. Woodclad windows / sliding glass doors are not installed in the walls by PMHI. They are shipped individually wrapped for field installation by your contractor at the customers expense.)
- Windsor Alum. Clad Wood      \$6,380.00 (additional)  
(Includes jamb extenders for 2 X 6 walls. Wood windows / sliding glass doors are not installed in the walls by PMHI. They are shipped individually wrapped for field installation by your contractor at the customers expense.)
